

Our FlyOver Golf Course service package is now available. We utilize the best and the newest technology on the market, the super-quality Phantom 4 flying camera.

FLYOVER VIDEO RECORDINGS of golf courses

OUR FLYOVER CONCEPT INCLUDES:

- Video recordings of golf fairways with Phantom 4 flying camera
- Edited 4k-quality video content
- Exclusive rights of edited content to the customer.
- Kick-off workshop with the customer: going-over of fairways, recording schedules and other details

We offer our FlyOver Service with satisfaction guarantee.

FlyOver is a modern and efficient way to market your golf course.
